Jonestown, PA 17038

Dear Borough Officials:

During the past month Light-Heigel & Associates, Inc. (LHAI) has been involved in the following items of interest to the Borough:

**1. TASA Grant**

- PennDOT has received and reviewed the information added to the CE Scoping System. Once the scoping documents are approved we will submit plans to the safety review committee.
- Emails with the TASA coordinator regarding the delay in bidding schedules have confirmed the funding will not be an issue at this point. An updated timeline will need to be submitted for the project. This will need to be coordinated with the Project Management contacts at PennDOT for the project and submitted back to the TASA coordinators.

**2. DCNR Grant – Park**

- Re-bid for the park project to be advertised in the fall for a spring construction window.

**3. Park Subdivision Plans**

- Plans are in the process of being signed. Once all signatures are complete the plans will be recorded.

**4. G3 Grant Charrette**

- Light-Heigel attended the webinar information session for the G3 Grant.

Please feel free to contact me if you have any questions or comments.

Respectfully submitted,

Lee Strause Jr., EIT
