Jonestown Borough Council

295 S. Mill Street
PO Box 446
Jonestown, PA 17038

Dear Borough Officials:

During the past month Light-Heigel & Associates, Inc. (LHAI) has been involved in the following items of interest to the Borough:

1. TASA Grant

- The LHAI team is working on the final designs of the curb ramps and will be scheduling an additional meeting with Penn DOT in the near future. Karla Farrell, RLA, has requested changes to the Broad Street curb bump outs in relationship to the Foundry Park Project. We will review this information and report back to the Borough.

2. DCNR Grant – Park

- Construction is complete. However, the playground mulch has not been installed to DCNR spec and Lyons Recreation will need to add more mulch to the playground area. I contacted Lyons today about this matter.
- Columbia Excavating, the site contractor, will need to place additional fill along the perimeter timbers.

Please feel free to contact me by phone at 717-821-5375 or by email at jpoff@light-heigel.com; if you have any questions or comments.

Respectfully submitted,
Light-Heigel & Associates, Inc.
Borough Engineer

John R Poff, PE

C: Stacy Longenecker
