Jonestown Borough Council

295 S. Mill Street
PO Box 446
Jonestown, PA 17038

Dear Borough Officials:

During the past month Light-Heigel & Associates, Inc. (LHAI) has been involved in the following items of interest to the Borough:

1. TASA Grant

- The LHAI team is working on the final designs of the curb ramps and will be scheduling an additional meeting with Penn DOT in the near future. Today, we were contacted by Karla Farrell, RLA requesting changes to the Broad Street curb bump outs in relationship to the Foundry Park Project. We will review this information and get back to Karla.

2. DCNR Grant – Park

- Construction is complete. However, the playground mulch has not been installed to DCNR spec and Lyons Recreation will need to add more mulch to the playground area.
- Columbia Excavating, the site contractor, will need to place additional fill along the perimeter timbers.
- I have reviewed and approve of Application for Payment No. One in the amount of \$35,805.60 payable to Columbia Excavating, LLC.

3. MS-4 Waiver Application

- The MS-4 waiver has been granted by PA DEP more another 5 years.

4. Curb/Sidewalk and Sign Permits

- I have reviewed the curb & sidewalk permit for the IU-13 Building.
- I have also reviewed the sign permits for the IU-13 Building.
- I have also reviewed a curb & sidewalk permit for Joe Quaroli.
