Jonestown Borough Council

295 S. Mill Street
PO Box 446
Jonestown, PA 17038

Dear Borough Officials:

During the past month Light-Heigel & Associates, Inc. (LHAI) has been involved in the following items of interest to the Borough:

1. TASA Grant

- On April 30th, the LHAI team presented a technical review to the Penn DOT Highway Engineer, Steve Moore. All three of the intersections were reviewed but most of the discussion centered on the Market and Lancaster Street intersections and the impact of the temporary traffic light.
- LHAI surveyed the location of the temporary traffic light and cones to evaluate the impact on our proposed design. We will be having a follow up meeting with Penn DOT.

2. DCNR Grant – Park

- On May 6, the Site Contractor started work on the project.
- Playground Equipment is tentatively scheduled for delivery the week of May 13th.

3. Park/Playground Phase II –DCED Grant

- LHAI is working on a cost estimate for this phase of the project as well as relocation of the volleyball court.

4. MS-4 Waiver Application

- The renewal application is complete and ready for signatures. Note, the application is due to PA DEP by June 3, 2024.

Please feel free to contact me by phone at 717-821-5375 or by email at jpoff@light-heigel.com; if you have any questions or comments.

Respectfully submitted,
Light-Heigel & Associates, Inc.
Borough Engineer

John R Poff, PE
