## Wastewater Treatment Plant Update

The Northern Lebanon County Authority will be undertaking a sanitary sewer main "Re-lining" project during the summer of 2021. There will be activity associated with the project on East Queen Street, South Mill Street, throughout the Jonestown Park, across South Lancaster Street and in the area of Fortna Street. There will be little if any excavation associated with the project. Equipment will be staged throughout the work area while the work is being completed. The original pipe is being lined with a PVC product as part of NLCA's ongoing collection system maintenance and rehabilitation program. The work is expected to take place during July and August 2021. Any customers that may be directly affected with a brief interruption of sanitary sewer service will be notified prior to the work being started. Please contact the NLCA office with questions if necessary during the project at 717-865-7202. The NLCA Board thanks you in advance for your cooperation.

## Volunteers at Hersheypark Summer 2021

With the arrival of May, Hersheypark will follow a full day of fun at the park. Volunteers will be needed. However, they are encouraging all volunteers in RIDES to take the Safety Class that is offered. It is a four hour class and you receive a ticket to Hersheypark for taking the class. They also offer RAMP, an online class to update the volunteers in FOOD & BEVERAGE that enables them to serve alcoholic beverages.

As of now, restrictions are still in place for volunteering in the park. Masks are required. Dress codes are enforced. One ticket is given per five hour shift.

The Jonestown Park and Recreation has benefited by the work of our volunteers. Many of our volunteers are grandmothers who earn a ticket for their family. Last year, one ticket was given per five hour shift. I am hoping the number of tickets given per shift will increase.

If interested in volunteering for the benefit of the Jonestown Park, send me an email [jyiengst@comcast.net](mailto:jyiengst@comcast.net) or call me at 717-865-4892. Your questions will be answered.
