

Hersheypark Volunteers Winter 2018

The 2018 season for volunteering at Hersheypark begins for us on weekends starting in April. Our group has been volunteering in RIDES and FOOD/BEVERAGE. The volunteers earn money for the Jonestown Park and also receive vouchers (tickets) for their use at Hersheypark.

In 2017, Hersheypark was generous with the vouchers. When more volunteers were needed, a five hour shift resulted in our volunteers receiving triple vouchers. The Jonestown Park received over \$900.00.

If you are interested in receiving the Hersheypark schedules for our group, please contact me by email yjiengst@comcast.net or phone 717-865-4892. More information about dress codes, job requirements (you must be 18 years old), and directions will be given. Submitted by Janet Yiengst 717-865-4892

North Lebanon Township Police Department – Important public message: HOW IDENTITY THEFT OCCURS

Despite your best efforts to manage the flow of your personal information or to keep it to yourself, skilled identity thieves may use a variety of methods to gain access to your data.
HOW IDENTITY THIEVES GET YOUR PERSONAL INFORMATION:

- They get information from businesses or other institutions by:
 - Stealing records or information while they're on the job
 - Bribing an employee who has access to your records
 - Hacking these records
 - Conning information out of employees
- They may steal your mail, including bank and credit card statements, credit card offers, new checks, and tax information.
- They may rummage through your trash, the trash of businesses, or public trash dumps in a practice known as dumpster diving.
- They may get your credit reports by abusing their employer's authorized access to them, or by posing as a landlord, employer, or someone else who may have a legal right to access your report.
- They may steal your credit or debit card numbers by capturing the information in a data storage device in a practice known as skimming
- They may swipe your card for an actual purchase, or attach the device to an ATM machine where you may enter or swipe your card.
- They may steal your wallet or purse.
- They may steal personal information they find in your home.
- They may steal personal information from you through email or phone by posing as legitimate companies and claiming that you have a problem with your account. This practice is known as phishing online or pretexting by phone.

PARK, RECREATION & EVENTS COMMITTEE

"ONE OF THE GREATEST GIFTS YOU CAN GIVE IS YOUR TIME"

The Jonestown Borough Council and the Parks, Recreation and Events Committee are committed to bringing the best to our community; but sometimes we could use a little extra help. YOUR help – that is! There are many different events that are scheduled throughout the year and sometimes we could use an extra hand. This doesn't require you to join a group or help at every event. We will send the word out when we need volunteers and you get to decide at which event you would like to volunteer. Another way to help is by volunteering at Hersheypark. Helping there is like giving AND getting a gift – you receive a voucher equal to a ticket AND you bring money back in to the community. A SMALL amount of your time makes a BIG impact! If you are interested in volunteering in any capacity, please contact Melissa Reynolds at jmreynolds314@verizon.net.
